LOCAL AFFAIRS.

By Our Regular and Casual Reporters
and Correspondents.

A Fire at the Centre.
At about four o'clock yesterday morning
an alarm was sounded for the Centre,
district, caused by a fire breaking out in
the stable owned by Mr. Abel Baker, on
Glenwood Avenue. Members of Essex H.
& L. Company, living close at hand, were
speedily out, and fortunately having a
"reducer" and a few feet of hose, quickly
got to work. In five minutes they had
a stream upon the building and kept the
flames from spreading to the adjoining
frame structures. Their work, and that
of the hose companies which arrived
later, was probably the most efficient and
valuable that has been done since the in-
troduction of water. The fire was con-
fined to the building in which it started,
but which was destroyed, together with
most of the contents. The upper floor
contained a large stock of feed and bait
hay, a small part of which only was saved.
Erie's hotel, on the west of the building
consumed, was in great danger, the out-
side taking fire from the heat. It was
saved from destruction and the spread of
the flames arrested by the exertions of
the firemen, and the same can be said of
the building on the south, occupied as a
feed store-room by L. Dawkins.

Corby's brick building on the east was
saved, but the windows above in Masque
Hall, were burned out, and the flames en-
tered and damaged the furniture to a con-
siderable extent as well as the ceiling.
The burned building was owned by W.
B. Corby, and used by Abel Baker as a
stable below and as a feed store room
above. His loss was considerable, and
included his delivery horse, which was in
the stable and could not be rescued.
It is the opinion of many that some full-
sized hose should be provided for the
Truck Company, for use in case of a fire
in the Centre.

Glen Ridge Club.
The fortnightly entertainment at the
Glen Ridge Club was held on Wednesday
evening last. The principle feature of the
evening's amusement was a billiard tour-
nament between Messrs. McCoy, Stout
and Darwin on one side, and Messrs. For-
ter, Thomas and Gallagher on the other.
The game was the regular four ball game,
two hundred points up and was won by
the last named gentlemen. After the bil-
liard tournament came progressive euchre
and last of all the refreshments, and the
committee on forage did itself and
furnished supper that has been served at
the Club. A number of members, sup-
posing that a billiard tournament meant
nothing but billiards, stayed at home and
are now regretting that they did. It is
said to say that when the Glen Ridge
Club gives an entertainment it is always
worth going to.

Pure Alderney Milk.
Readers of THE CITIZEN who appreciate
milk of the best quality, and local enter-
prise for producing the same according to
the most enlightened methods, will be in-
terested in reading the advertisement of
Mr. J. F. Maxfield, upon our third page.
Mr. Maxfield has one of the finest dairies
in this part of the country, supplied with
every modern facility for the care of cat-
tle and the handling of the milk. He
keeps about one hundred cows, registered
Jersey cattle, and everything about the
place is maintained in the best manner.
A steam boiler supplies power for prepar-
ing the feed, which is of the best quality.

No brewery grains are used. The cans
and glass bottles are thoroughly scalded
by steam and hot water, and every appli-
cance added and pains taken to insure
the purest milk in the market. Mr. Max-
field's is a model milk dairy in every re-
spect. Visitors are always welcome to
make an inspection. Customers, after a
trial of the milk is once made, express
their satisfaction, and will have no other.

Town Committee.

The new Township Committee met
Tuesday and organized for the year 1887-8.
Thomas Odges was unanimously chosen
Chairman. The appointments of Township
Committee and Physician were laid over
until the next meeting. No business of im-
portance was transacted beside the ap-
pointment of the Standing Committees,
which were as follows: Auditing Com-
mittee, Richards and Freeman; Gas,
Richards and Benson; Public Grounds,
Dodd and Freeman; Roads, Dodd and
Richards; Poor and Poor House, Richards
and Dodd; Sidewalks, Benson and Free-
man; Water, Freeman and Benson; Fire,
Benson and Freeman; Police, Benson and
Richards; Crosswalks, Freeman and
Dodd. A special committee on Soldier's
Burial Plot, Messrs. Benson and Rich-
ards, was also appointed.

BLOOMFIELD BRIEF LOCALS.

A. Lloyd has taken the store on Wash-
ington Avenue next to his bakery and is
fitting it up for his grocery business.
Mr. William C. Carl appeared with
success, at the thirty-fifth anniversary of
the Newark Harmonic Society, held last
week.
On account of the damage by fire, the
next regular communication of Bloomfield
Lodge No. 40, F. and A. M., will be held
in Old Fallow's Hall, on Tuesday evening
next.
Mr. Stanford is closing out his busi-
ness in the central building, as will be
seen by his advertisements. The store fit-
ted up for him is to be divided, to make
two places of business. John H. Taylor
has leased the northerly half, and will
occupy it on or about April 1st.

A pleasant reception was given Wed-
nesday evening by Excelsior Lodge No.
2342, Knights of Honor, at their rooms,
about 200 of the members and their friends
being present. Instrumental and vocal
music and recitations were given, and ad-
dresses were made by District-Deputy
Baker, of Newark, and Past Dictator E.
B. Corby.

On Wednesday morning, on complaint
of Mr. Spatz, Officer Theodore Harver ar-
rested four boys—Thomas Croughan,
John and James Flannigan and Lawrence
Wallace—for chicken stealing. The boys
were committed to Jail by Justice Hall to
await the action of the Special Sessions
Court.

Mr. Frank Hall of Glen Ridge has re-
cently purchased a lot on the corner of
Monroe Place and Park Place and has or-
dered plans for a house that will be one
of the handsomest cottages in town. Mr.
Knowles the successor of the late Fred-
erick White is preparing them, and the
house will be built this summer.

Nickel plate Show-cases, Brass Goods,
Furniture, 1 Shoe Settee, Hangings, Blankets,
included in the Clearing-out Sale at Stanford's
Store. No reasonable offer will be refused. Two
Bogers' Groups, "Coming to the Parson" and
"Taking the Oath."

About sixty of the friends of Mr. and
Mrs. John Sanderson gathered at their
residence, Jersey street, Friday evening,
in celebration of the crystal wedding anni-
versary of the host and hostess. A num-
ber of friends from New York and Brook-
lyn were included among the guests, and
a delightful evening was spent.

The Bloomfield school meeting on
Monday evening was as school meetings
have lately been, a very quiet affair. The
two retiring Trustees, Messrs. E. A.
Smith, and Samuel Peloubet, were elected
for a new term. No other business was
transacted.

Shoes will be sacrificed at Stanford's for
the next two weeks. But's best quality going
at \$4.98.

The report of County Auditor Hazard,
made on Thursday to the Board of Free-
holders, showed the payment to the
county, by the township of Bloomfield,
of an item of \$700 which has been in dispute
since 1883. At the meeting of the County
Board of Assessors, in that year, the valua-
tions of Bloomfield township, as returned
by the Township Assessor, were raised
\$100,000 upon the Assessor's acknowledgment
that the valuation he returned was
none too high. The Bloomfield Town
Committee contested the right of the
County Board of Assessors to increase the
valuation, and the case was carried to the
courts for a decision. A final decision
was finally rendered by the Court of Er-
rors against the township, and the dis-
puted amount, \$700, with interest amount-
ing to about \$84, was recently paid to the
county. The case was an interesting one,
as it upheld the right of the Board of As-
sessor to raise the valuations returned by
the local assessors.

Last Tuesday evening Eureka Lodge,
Knights of Pythias, was visited by large
delegations from every other Lodge in the
district. The room was filled to its ut-
most capacity. After three Pages and
three Esquires, and one Esquire
advanced to the rank of Knight, the Lodge
was informed that the lady friends of the
members wished to see them in Dodd's
Hall. The Lodge was closed, and the
Knights proceeded to the Hall, where
they found a great surprise awaiting them.
The lady friends of Eureka Lodge and of
several of the Newark Lodges, had gotten
up a lunch sociable. The lunches were
sold to the highest bidder, and much
amusement was caused by the different
bids. After the lunches had been eaten,
a general good time was indulged in,
and the party broke up at half past eleven,
well pleased with the whole affair. The
proceeds of the sociable are to aid the
Uniform Division that Eureka Lodge is
about forming. Many thanks are due the
ladies who so kindly managed and con-
tributed to this very successful entertain-
ment.

Montclair.

Montclair is to have water, and it is to
be furnished by the North Jersey Water
Company. The contract between the
Township Committee and the Montclair
Water Company was duly executed, last
week, it being one of the last official acts
of the Township Committee for the year
of 1886-7. The contract was drawn by
Township Counsel John L. Blake, of
Orange, and its provision are such that
the township will be protected from any
loss or trouble. The Montclair Water
Company was organized by Mr. John B.
Bartlett, one of the incorporators of the
North Jersey Water Company, to supply
water to the township until such time as
the mains of the North Jersey Company,
which are to pass through the township,
shall have been laid. The Montclair
Water Company agrees to lay twenty-one
miles of pipe, erect and maintain 300 hy-
drameters for an annual rental of \$26 per hy-
drameter, or a total sum of \$5,200. Water is
to be supplied from wells to be located in
the northern part of the township, and a
sufficient pressure for fire purposes is to
be maintained, by reservoir, stand-pipe or
direct pressure from the pump. The con-
tract is for ten years, and the township
has the privilege of buying out the entire
plant, at cost, with legal interest, within
three years, and in this event water will
be supplied from the North Jersey Water
Company's mains.

Some of the pipe for the mains for the
new water supply, at Montclair, arrived
on Friday, and work will be begun this
week in laying them, if the weather per-
mits. It is said that all of the pipe will
be delivered here by April 1st. It is un-
derstood that Captain H. G. H. Farr, a
resident of Montclair, connected with the
Worthington pump concern and who has
had a large experience in building
water works, will have the contract for
the work to be done.

The Montclair Republicans have leased
Watchung Hall for two years, for a head-
quarters, and will maintain a township or-
ganization. The room will also be made
a headquarters by the Republican Battery.

The application of Enoch Boggstrom for
a discharge under the insolvent laws of
the State was heard in the Court of Com-
mon Pleas Wednesday. September last,
Dr. C. W. Butler recovered a judgment of
\$450 against Boggstrom for running into
and killing a horse belonging to him, and
Boggstrom was arrested on a body execu-
tion. He then gave an insolvent bond and
was released. Austin Van Geisen, counsel
for Dr. Butler, resisted Boggstrom's
discharge on the ground that he had not
made a full and correct inventory of his
property. Judge Kirkpatrick said the
Court was satisfied that Boggstrom's con-
duct had been fair, and granted him a
discharge.

Verona.

The school meeting in Verona Tuesday
evening was largely attended. An issue
had been made against the re-election of
Judge Johnson for school Trustee and in
opposition to raising \$500 to educate the
161 children of school age in the district.
Upon the first ballot for Trustee Judge
Johnson received fifty-nine votes and Wil-
liam J. Harrison received thirty-eight
votes. A motion was then made to raise
\$500 for the support of a free school for
the coming year, which met with some
opposition but was finally carried, only
four voting for less.
